Re: Wildhorse Mine
DOE/047/002

Dear Mr. Hatch:

We have reviewed the Mining and Reclamation Plan for the Wildhorse Mine and are ready to forward it to the Division of State Lands for their approval. Before we do this, however, we need you to submit the following:

- 1) A map showing the new road alignment from the county road to the mine.
- 2) A proposed revegetation seed mixture, the mixture to be used for the Black Gnat Mine will be good.

Respectfully yours,
DIVISION OF OIL, GAS, AND MINING
